Bi-is-mihi Ta'ala

Clarification from NZ Shura

Alhamdulillah the work of Tabligh has been established in New Zealand since the 1960's. We have been following the methodology of the Akaabir-e-Thalaathah, our pious elders and guidance of Ulama.

The New Zealand Shura reiterates their position that was made in November 2016 in following the methodology of Qur'aan and Sunnah under the guidance of the 'Aalaami Shura'. We continue to operate all Tablighi activities in accordance with the 'Aalaami Shura' **without** any compromise. NZ Shura will only sponsor Jamaats in coordination with the 'Aalaami Shura'. Bayanaat (Lectures) and Muzaakarah (discussions) etc will be delivered only by foreign jamaats that meet the above criteria.

Local brothers will be selected for Bayanaat and Muzaakarah as per our Mashwara.

This is also in accordance with the Ulama Council of New Zealand.

We seek your cooperation for the sake of unity.

Signed
